

Hello,

Please be advised this is a dynamic Registration form for Graduate Courses Only. Instructors: Please select the next button to move on to the form. Thank you!

If you are a Graduate Student filling out the Restricted Registration, please be advised that once you submit it, it will go to the instructor for their signature. Only after the instructor signs and submits, will we get the form for processing. There is no need to contact the instructor as they will get an email immediately following your submission. There is also no need to contact us about not seeing the course on your myUCF immediately after you sign and submit. **This is not an instantaneous process. Your form will be processed by our office during normal business hours, Monday-Friday 8am-5pm.** The instructor still needs to sign and then we will process the form once we receive same. You will receive an email when your form has been processed and at that point, you will see the course on your myUCF.
